A first impression

Charming estate with a main house and guest house in a privileged setting near Campanet

Located in a setting of absolute tranquility and privacy, this magnificent estate on the outskirts of Campanet offers breathtaking views of the Sierra de Tramuntana and all the charm of the authentic Mediterranean lifestyle. An elegant driveway flanked by majestic palm trees leads to this unique property, surrounded by nature and serenity.

Its excellent location allows you to reach Pollensa and some of the best beaches in northern Mallorca in just 15 minutes, while Palma and the international airport are approximately 30 minutes away.

The main house stands out for its bright and welcoming spaces. A pleasant entryway leads to a spacious kitchen with a dining area and direct access to a charming private terrace at the rear, perfect for enjoying breakfast al fresco. On the ground floor, there is also a spacious living-dining room opening onto a beautiful terrace surrounded by bougainvillea—ideal for gatherings and dinners in an unparalleled setting—as well as a bedroom and a full bathroom.

On the upper floor is the elegant master suite, which features built-in closets, a cozy sitting or game area, and a sophisticated en-suite bathroom.

The guest house offers privacy and comfort, with two bedrooms, a full bathroom, and a spacious kitchen-dining area with direct access to its own terrace, making it the perfect space for family or guests.

The property's exterior invites you to fully enjoy the Mediterranean climate. A large swimming pool surrounded by spacious sun terraces blends harmoniously into the landscape, offering spectacular panoramic views of the mountains and the natural surroundings.

The property also features a separate outbuilding currently used as a storage shed or tool shed, with the potential to be converted into a garage if desired.

One of the major advantages of this property is that it has already been assessed by an architect, and the possibility of legalizing it has been confirmed. The estimated cost of the entire legalization process, including professional fees, fees, taxes, and VAT, amounts to approximately €183,616.80, an amount that is already factored into the sale price.

According to the architect's current assessment, only minor modifications will be necessary, primarily the modernization of the wastewater treatment system and a slight improvement in energy efficiency. The estimated timeframe for processing the legalization with the Campanet City Council is approximately nine months, subject to possible administrative reviews or additional requirements.

An exceptional opportunity to acquire an exclusive retreat in one of the most beautiful and sought-after areas of Mallorca.
