A first impression

This prestigious residential complex was built to the highest standard of Casa Clima "A+", which means it will also be rated for energy efficiency. The property is located on the second floor, and consists of: a comfortable entrance hall, a living-dining room "living" room with direct access to the terrace, two double bedrooms, a service bathroom and a windowed master bathroom. The object offers excellent natural light. The real estate unit is equipped with an underfloor heating and cooling system that is operated independently with convenient individual control of room temperature, offering a special atmosphere of well-being in all rooms. The offer is completed by a parking space and basement included in the price. End of construction October 2025.
