A first impression

This prestigious and modern residential complex was built to the highest standard of Climate House "A", which means it will also be rated for energy efficiency. The property is located on the third and top floor, and consists of: a comfortable entrance hall, a "living" dining room with access to the terrace, two double bedrooms, a windowed master bathroom, a service bathroom and a storage room. The object offers excellent natural light. The real estate unit is equipped with a central underfloor heating and cooling system that is operated independently with convenient individual control of room temperature, offering a special atmosphere of well-being in all rooms. The offer is completed by a cellar and an extra garage box Euro 40,000.00.
