All about the location

Merano is one of South Tyrol's most charming resorts, prized for its mild climate, quality of life, and unique balance of nature, culture, and wellness. A spa town par excellence, it offers comprehensive services, a well-kept historic center, green promenades, and a fine landscape setting.

Via San Valentino is located in one of the most private and peaceful areas of the city, close to Maia Alta, immersed in greenery and surrounded by gardens, crops and open views of the mountains. Here silence, light and the scents of nature dominate, with an almost rural perception while remaining a short distance from the center, the Merano Thermal Baths and the main services. An ideal location for those seeking privacy, tranquility and an authentic landscape setting, without sacrificing urban convenience.
