#### All about the location

Living in Selva di Val Gardena means living in the heart of the Dolomites, a UNESCO World Heritage Site, surrounded by spectacular landscapes and a high-level tourist and residential setting. The village offers all essential services - stores, restaurants, schools, sports facilities - in an orderly, safe and very well-kept environment.

In winter Selva is one of the privileged access points to the Dolomiti Superski area and the Sellaronda, with slopes and lifts reachable in a few minutes, while in summer it is the ideal starting point for hiking, trekking and mountain biking to Sassolungo, Sella and the Puez-Odle Nature Park.

A trilingual context (Ladin, Italian, and German), a strong level of services, and a high quality of life make Selva di Val Gardena a prime real estate location, ideal both as a first mountain home and as an investment in one of the most sought-after areas in the Alps.
