A first impression

This prestigious and modern terraced villa, built to the highest CasaClima A standards, guarantees excellent energy efficiency and a high level of living comfort. The structure also ensures a considerable degree of privacy. The ground floor entrance leads directly to the LIVING living and dining area, overlooking the private garden. The large sliding windows and excellent exposure ensure excellent natural light throughout the day. The garden and terrace create a relaxing and welcoming environment, ideal for spending pleasant moments with family or friends. The floor is completed with a service bathroom and a storage room. On the second floor, reached by an internal staircase, there is the sleeping area consisting of: a master bedroom with balcony, a master room with en suite bathroom, an additional room (currently used as laundry room) and a master bathroom. The house is equipped with underfloor heating with independent temperature control in each room, ensuring a high feeling of well-being in all rooms. Also via an internal staircase there is access to the roof terrace with 360-degree panoramic views. Completing the offer: a double garage box, a single garage box with automated door and a cellar.

The property, built in 2016, is distinguished by fine finishes and state-of-the-art technology.
