A first impression

In the heart of Eppan, one of the most charming villages in South Tyrol, known for its castles, excellent quality of life and an absolutely prestigious wine tradition, we offer for sale an apartment of great historical charm, located on the second floor of a building dating back to the mid-18th century.

The property retains an authentic and rare character, enhanced by vaulted ceilings that enhance its period charm and architectural importance. The apartment, internally in need of renovation, represents an opportunity of considerable value for those who wish to create a representative residence or a residence of great personality, combining history, elegance and living comfort.

Free on four sides, it enjoys excellent natural light and a pleasant airiness of the rooms. The internal distribution offers an entrance hall, a large living room, a kitchen, a dining room, five bedrooms and three bathrooms, with generous spaces that lend themselves to multiple design solutions.

Two garage cars (70,000 euros extra) and a cellar complete the property.

The facade and roof were renovated in 2022, an element that further enhances the property and allows it to focus on interior redevelopment, preserving and reinterpreting its extraordinary historic character.

A property of undisputed charm, set in a unique context, among landscape, culture and tradition, in one of the most appreciated locations in the South Tyrolean territory.
