A first impression

In Lana, on Via Monte Lucco, we are offering for sale a unique three-room penthouse of approximately 114 square meters, located on the third and top floor, in a peaceful and quiet setting.

Upon entering the apartment, you're greeted by a spacious entryway that leads to the living area, the true heart of the home: a very spacious space designed to be lived in and shared, with a large dining area ideal for entertaining friends and family.

The living room opens directly onto the south-facing balcony, a pleasant space to enjoy throughout the warmer months. The view of the surrounding orchards offers a sense of openness and tranquility, far from the noise and hustle of the street. Adjacent to the living room is a large, functional kitchen that is perfectly furnished and equipped.

The sleeping area consists of a master bedroom with a private bathroom featuring a window and a whirlpool tub, as well as a second bedroom and a second bathroom with a window and a shower.

A particularly interesting feature of the home is the approximately 305-square-meter loft, accessible directly from the apartment. This versatile space can serve as a hobby room or simply as an additional area to customize according to your needs.

The apartment is in excellent condition and is being offered partially furnished, with a fully equipped kitchen and bathrooms, as well as practical built-in closets already in place.

A basement completes the property. A private parking space is also available for purchase separately.

The location combines the tranquility of a residential neighborhood with the convenience of major amenities. Nearby, you'll find supermarkets, bus stops, shops, and everyday services, allowing you to easily manage daily life without sacrificing peace and quiet.

A home designed for those seeking more than just square meters: living spaces, a pleasant view, and that sense of tranquility which, once found, becomes part of the home's value.

Contact us for more information or to schedule a tour: we'd be happy to show you this penthouse in Lana in person.
