A first impression

This prestigious residential complex was built to the highest standard of Casa Clima "A+", which means it will also be rated for energy efficiency. The property is located on the ground floor with a private garden, and consists of: a convenient entrance hall, a living-dining room "living" room with direct access to the garden, two double bedrooms (also with direct access to the garden), a service bathroom and a windowed master bathroom. The object offers excellent natural light. The property unit is equipped with a central underfloor heating and cooling system that is operated independently with convenient individual room temperature control, providing a special feel-good atmosphere in all rooms.
End of construction December 2025.
