A first impression

The apartment is located in the heart of Budapest, close to Danube Corso, in the 5th district. Location: It's a government and business area. Deák Ferenc Square is the largest public transport hub of the city, where three metro lines meet (M1, M2, M3). Rising above the buildings, the Budapest Eye ferris wheel overlooks the city, including some of the most famous attractions of the area, such as the Parliament and St. Stephen's Basilica. Váci Street and Vörösmarty Square with its restaurants and elegant shops are a popular destination for tourists. As you take tram 2 or walk along the Danube that borders the district, four bridges cross the river: Liberty Bridge, Elizabeth Bridge, Chain Bridge and Margaret Bridge. This apartment at Danube corso is on the upper floor of the condominium, in the centre of the 5th district. The apartment is completely renovated. 2 and a half rooms with furniture. In the city center, apartments with a balcony are very rare, but there are even fewer with a terrace.
