A first impression

In one of the imposing corner buildings on Szent István Boulevard, right next to the Vígszínház Theater, we are offering for sale a tastefully renovated, furnished apartment with excellent features. Most of the windows overlook the quiet Visegrádi Street, providing a pleasant, peaceful environment despite the downtown location.

The three-bedroom apartment has a practical layout and plenty of built-in storage space. Both bedrooms feature walk-in closets, and the kitchen is fully equipped with an oven, stovetop, and refrigerator. The spacious bathroom features a bathtub, a toilet, and an additional built-in storage cabinet.

Based on the interior design plans, the recently renovated apartment features high-quality finishes, and all interior and exterior doors and windows have been replaced with new, custom-made wooden ones. A new gas boiler ensures a comfortable temperature, while a total of four air conditioning units provide summer comfort in the bedrooms, living room, and kitchen.

This youthful, modern home is located in a building with an elevator, which typically houses offices, so the neighborhood is bustling during the day and quieter in the evenings.

The location is exceptional: the Vígszínház Theater, Westend, Nyugati Railway Station, and Margaret Island are all easily accessible, even within a few minutes' walk. The neighborhood offers countless restaurants, cafés, shops, and cultural attractions.

It's an excellent choice as a primary residence, but thanks to its location and features, it could also be ideal for long-term rental as an investment.

Price of the property: 139,900,000 HUF
