A first impression

Luxury apartments with a unique atmosphere await their first residents in one of the most exclusive areas of Budapest, Istenhegy.

A garden apartment (EUR 4,400) and a panoramic balcony apartment (EUR 6,000), located one below the other, await their first residents.

Both apartments are characterised by a spacious living room that focuses on the play of natural light and elegance, while warm tones and premium materials create a cosy yet sophisticated atmosphere.

Light tones and elegant design make both homes truly unique, controlled by SmartHome technology.

In addition to the 3 bedrooms, the upper apartment also has a study.

There are 2 to 2 parking spaces available for tenants under the building.
No one has ever lived in either apartment, be the first.

The rent of the apartments includes common charges and utilities.

Have a look at both and choose!
