You just have to move in here! An ICONIC apartment for sale at the foot of Buda Castle.

The entrance and living room of the apartment overlook the southern wing of Buda Castle, the large rondelle and the mace tower. The southern gardens of Buda Castle are also being renovated as part of the Buda Castle reconstruction program, which were largely created at the request of Queen Elizabeth: Sissi. You can see these gardens from the living room.

In 1928 the old house was demolished and in 1929 this five-story condominium was built in its place. The entrance to the apartment building is from Attila Street, from where the renovated elevator takes you to the apartment on the 2nd floor. At the same time, the other side of the building faces Váralja Street, from where there is a direct entrance to the apartment through its own garage and private balcony. Váralja Street is a quiet, one-way street where traffic is low and crowds of tourists avoid it.

The area

Tabán and Krisztinaváros are a very livable and lovable area. Between the Castle Hill and the Sun Hill, everything is provided for happy everyday life and a pleasant, quality lifestyle. The Danube Bank is also close by, and the Várkert Bazaar is next door. Shops, stores, bakery, cafes, services, cultural institutions can be found in the immediate vicinity. Sports and recreation opportunities: tennis courts, OxiGén Wellness, running track, Czákó Street Sports and Leisure Center, Rudas Bath. There is also a playground and dog run within walking distance.

Parking

Private garage for 1 car, which is a real treasure at the foot of the Castle! Another 1 car can park for free in front of the garage on Váralja Street. Direct connection from the garage to the apartment: logistics are easy after shopping, no need to go through the Condo building.
