In the embrace of the Buda Hills, in one of the most patrician, quiet, green belt area of the XII. district, at the junction of Németvölgy and Orbánhegy, next to the Villa Bagatell building, we offer for sale a rare three-storey villa building. This villa is not just a property - it's a lifestyle, where the elegance of turn-of-the-century architecture meets the comfort of today.

About the building

The villa was built in 1914, with solid, solid brick walls, prominent ceilings and classical proportions. The current owners, the third in the history of the villa, have carried out a complete renovation of the property in 2003, respecting the original style, preserving the historic character and unique atmosphere of the property.

The house offers a total of 520 square metres of living space on three levels:

This is where you will find: 4 bedrooms, kitchenette + guest bathroom, hallway, storage room, wine cellar, garage

This level is currently used as a consulate.

Ceiling height: 3.60 m! This floor has a separate entrance, but is also connected to the basement and the first floor by an internal staircase.

- Upstairs (approx. 180 m²).

The property also includes a garage, two storage rooms, wine cellar, pantry, laundry room and is accessible through several entrances, making it ideal not only for a large family but also as a representative business centre, embassy or exclusive institutional use.

The property has been used for a long time as the Honorary Consulate of Iceland and this particular building has been chosen for this representative purpose.

Special features:
