Two apartments for the price of one in the heart of the city center – Attention investors! For sale in Budapest's 7th district, on Vörösmarty Street, a first-floor, courtyard-view property with a total area of 44 m² has been converted into two separate apartments, each measuring 22 m². Both apartments have their own 13 m² gallery, making the space extremely practical and cozy. The renovation is expected to be completed within two weeks, but the work is already underway with the highest quality materials and workmanship. The apartments have been furnished with sophisticated, modern furniture, which is part of the purchase price – so the new owner just has to move in or rent them out! A perfect choice for your own home, for short- or long-term rental. Such opportunities rarely come along, don't miss out! Price: HUF 96,000,000
