A first impression

Unique apartment for sale a few minutes' walk from Budapest's metro hub and the Buda Castle District – panoramic terrace, modern building.

In District 1, where newly built properties are rare, a truly special opportunity is now available: an apartment with exceptional features is for sale on the top floor of a modern condominium with elevator, built in the early 2000s, which could be an ideal choice for families or businesses with office functions, or even investors.

Key features:

- Top floor location: light and stunning views**
- Huge wraparound terrace: perfect for relaxation or creating an inspiring work environment.**
- 4 separate rooms (if used as an office, it can comfortably accommodate 5-10 people)**
- 1 large parking space for a larger car in the underground garage (more than 26 sqm): price 15,000,000 HUF + VAT (garages are one of the rarest things in the district)**
- Modern technical features: high-quality materials, state-of-the-art engineering, building with elevator.**

The property is located in the historic city center of Budapest, in District 1, where new houses are rarely built due to a lack of land. This building is an exception: it is modern, yet blends harmoniously into its surroundings. Excellent public transportation, restaurants, cafes, and services nearby. Széll Kálmán Square is a 5-minute walk away.

- Families who value a peaceful environment with good transport links.**
- Dynamically developing companies looking for a prestigious location.**
- Investors looking for a property that will retain its value in one of Budapest's most sought-after districts.**
