A first impression

This unique property is located in Törökvész in a three-apartment condominium, where each floor is occupied by a single apartment – guaranteeing privacy and tranquility. The villa district and embassies in the neighborhood create a special atmosphere, and the nearly 100 sqm terrace offers a breathtaking panorama of János Hill and the Buda hills. The living room receives plenty of natural light through its huge panoramic windows. It blurs the line between inside and outside – the space is modern, bright, and inspiring. The layout of the apartment is ideal even for three children: the master bedroom has its own wardrobe and bathroom, while the children have a separate wing with two bedrooms, a wardrobe, and a bathroom. Guests are accommodated in a separate room and bathroom.

The Sonos sound system installed in the apartment blends discreetly into the spaces, allowing crystal-clear sound to accompany everyday life in every room.

This apartment is not just a home, but a choice – for those who seek refined luxury.

Storage room and parking for 3 cars under the house for the tenant.

There are several international schools in the neighborhood. The city center is a 15-minute drive away. The Mammut shopping center is a 10-minute drive away.
