TEMPORARY OPPORTUNITY ON THE BEACH OF THE DUNA i.e. FANTASTIC APARTMENT IN THE HISTORICAL HALL FOR 299 M HUF

In the heart of Budapest, in one of the most beautiful buildings of János Apáczai Csere Street, in the Gyürky House, a 173 m², fully renovated, third floor, partly furnished apartment with a 7 m² private covered terrace.

History of the house:

The Gyürky House was built in 1814-1815 on the basis of plans by József Hofrichter, commissioned by Pál Gyürky, the Archbishop. It is a three-storey palace in the neoclassical style, an iconic building on the Danube bank and one of the most important residential buildings of the reform-era Pest.

The façade is decorated with two female figures holding a cornucopia and a relief of Zeus' head above the gate, while the ground floor pillars are decorated with delicate female and male headed cylinders.

The staircase's elaborate wrought-iron balustrades and coffered ceiling are a testament to the genius of the craftsmen of the period. The building has survived several historical events in the 19th century and is still one of the jewels of the Danube Corridor.

The apartment is on the third floor (top floor), there is no lift, but it offers unrivalled tranquillity and patina.
