A first impression

Peace and tranquillity in the heart of the city - a special home in the XII district

For sale in Maros Street, one of the most popular areas of the XII district, this third floor, south-west facing, sunny apartment strikes the perfect balance between urban comfort and the tranquility of Buda.

Although one of Buda's major transport hubs is just a stone's throw away, the noise of the city disappears completely when you enter the apartment. All the windows overlook the quiet courtyard and the greenery of Kis-Sváb Hill, making the home surprisingly calm, bright and harmonious - a truly nice place to come home to.

The interior spaces were designed with spaciousness and livable functionality in mind. At the heart of the apartment is a bright living room with an American kitchen and a 5 m² balcony, ideal for morning coffee or relaxing in the evening.

The master bedroom has a convenient walk-in wardrobe, while the mezzanine currently serves as a comfortable nursery for up to three children. The practicality is further enhanced by a bathroom with bath, separate toilet and pantry.

The property underwent a complete technical and aesthetic renovation 10 years ago, with renewed wiring, windows, radiators and tiling. The heating is provided by a central heating system and the summer comfort is ensured by air conditioning.

The apartment building is well-kept, has a lift and is constantly maintained. A real rarity in this area is the huge shared internal garden, which is a perfect place to relax, play or enjoy a little retreat in nature.

The location is simply unbeatable: Széll Kálmán Square, Déli railway station and Mammut shopping centre are just a few minutes' walk away. Nearby, Városmajor, schools, kindergartens, bakeries and restaurants ensure that everyday life is convenient without a car.

This apartment is ideal for families, couples or anyone looking for a real home in a green environment, yet close to the hustle and bustle of the city.
