A first impression

In a popular part of Újlipótváros, in the immediate vicinity of the city center, a fully renovated, 35 m², second floor apartment for sale, in a nice condominium with elevator.

The property is located in a building with a well-ordered, cultured residential community, which is a valuable long-term choice.

The apartment has undergone a complete aesthetic and mechanical renovation, with new hot and cold tiles, a modern kitchen and modern, energy-efficient electric heating.

Thanks to the well thought-out layout, the apartment consists of a living room and a separate bedroom, making it a comfortable living space despite its small size.

The location is excellent: the city centre is only minutes away, there are many shops, restaurants and services in the area, and transport is excellent.

It is an ideal choice for a home or as an investment.
