A first impression

We offer for sale in the 2nd district of Budapest, in Endr?di street, a family residence with an unparalleled panoramic view, furnished in Italian taste, ideal for diplomatic families or foreign leaders living in Hungary.

The property is located in a three-family apartment building and consists of a 5-bedroom apartment on two levels and a garden-connected studio apartment with separate entrance, ideal for nanny, guest or staff accommodation.

The main features of the property are:

189 m² of living space

10 m² terrace with beautiful views of the Buda hills

55 m² private garden

5 bedrooms (upstairs + attic)

2 bathrooms + guest toilet

separate ground floor apartment with garden connection

The property is furnished in a clean, yet characterful Italian style. The spaces are not overcrowded, but consciously give space to light, views and the beauty of the surroundings. If required, the furnishings can be further extended and personalised.

Comfort is ensured by air-conditioned rooms, gas heating and electric water heating. The rental includes cleaning twice a week and the common charges include cleaning of the house and maintenance of the garden.

The area is very popular with the international community. There are several embassies and residences, international schools and shopping facilities within 1 km. Transport is well organised.

The property is located in a quiet, green area, but with quick access to the city. The apartment is accessed via a staircase (33 steps) leading up to a charming panoramic garden. Parking is possible on the street.

The property was previously home to a family of four children and still retains this warm, family atmosphere.

It is mainly recommended for diplomatic families, foreign executives living in Hungary and

larger families who appreciate the tranquillity, space and unique panorama.

Details of amenities

The property is currently decorated in a clean, minimalist style that consciously allows space for a spacious floor plan, natural light and a sense of environment.

The furnishings are flexible: if required, some or all of the current furnishings can be removed, allowing the apartment to be furnished with your own furniture.

Full furnishing can also be provided by agreement, tailored to the tenant's needs, so that the property can be occupied fully furnished.
