A first impression

In a quiet, green area of Budapest's 3rd District, on Jablonka Road, we are offering for rent a family villa in excellent condition with a Mediterranean atmosphere, which is an ideal choice for larger families or even businesses operating from a home office.

The 300 m² two-story, partially furnished house is set in a 729 m² meticulously maintained garden, where Mediterranean vegetation, terracotta tiles, and cozy outdoor seating areas create a unique atmosphere.

The House

The ground floor features a covered, heated garage that accommodates two cars, which could also be perfectly converted into a home gym or hobby room if desired. This level also houses the sauna, the laundry room, and a large storage area.

The heart of the living area is the exceptionally spacious, sun-filled living room, which opens directly onto the terrace overlooking the garden. Here you'll find a sun-filled home office that can also be converted into a fourth bedroom. From the modern kitchen, you can step directly out into the quiet, green garden, which is the perfect setting for family breakfasts, barbecues, or gatherings with friends.

Upstairs, there are three comfortable bedrooms and a bathroom, so the house offers both communal spaces and peaceful private living areas.

In 2026, a state-of-the-art heat pump heating system was installed, which significantly contributes to cost-effective maintenance and energy-efficient operation.

The villa is an excellent choice for:

families with three or four children,
executives working from a home office,
tenants who appreciate access to a garden and a peaceful environment,
as well as for small businesses or a representative office where prestigious yet cozy spaces are important.
