A first impression

In Via Privata San Mansueto, just 500 meters from Bocconi University, we offer for sale an elegant apartment located on the sixth and penultimate floor of a modern building built in 2013, equipped with an elevator and with energy class B, a guarantee of excellent efficiency and low consumption. The property stands out for its brightness, tranquility and well-organized spaces, ideal for those who want to live in a strategic area without sacrificing comfort.

The entrance opens onto a large living area with kitchenette, characterized by modern lines and a generous view of the balcony, perfect for relaxing moments outdoors. The sleeping area includes a large double bedroom: there is currently a movable wooden partition, made by the current owner to create two separate areas, a solution easily removable to restore the original environment.

The bathroom, windowed and with shower stall, is finished with quality materials and complete with all amenities. The property also includes a covered loggia, which can be used as an additional protected outdoor space.

The offer is completed by the possibility of purchasing a garage with a separate request, a particularly valuable element in this area of the city.

The well-maintained and recent building does not have concierge service.

An ideal context for professionals, university students, investors or anyone wishing to live in one of the most lively, modern and well served neighborhoods of Milan.

The means of transport are really close to the property and more precisely we find streetcar n. 9 (Porta Genova / Central Station), n. 24 (Duomo / Vigentino) and n. 15 (Duomo / Rozzano) a few hundred meters away, while the nearest subway stop is Porta Romana or Crocetta (Yellow Line M3) 10 minutes walk away. Do not hesitate to contact us to schedule a visit and not to miss this wonderful opportunity!
