A first impression

Looking for a two-room apartment solution with panoramic terrace?

In a strategic and quiet area, with a reserved and well-kept atmosphere, we offer for sale an elegant one-bedroom apartment located on the sixth and last panoramic floor of an elegant building with elevator.

The apartment, characterized by a double east/west exposure, stands out for the natural brightness that caresses every room throughout the day.

A cozy corridor welcomes us inside the dwelling, leading us to the living area, with a custom kitchen and well-proportioned living area, which opens onto a private panoramic terrace reserved; a rare and precious presence and ideal for moments of relaxation en plein air.

Proceeding to the sleeping area, we find a quiet and comfortable bedroom with walk-in closet and a windowed bathroom with shower.

The property is completed by a convenient attic of pertinence.

Careful finishes and the presence of central underfloor heating provide modern living comfort.

The area is perfectly connected to the city center by streetcar No. 27, which takes us to the Duomo in about 20 minutes. In the immediate vicinity there are also two stops of the M4 subway (Argonne and Forlanini stations) and also of the passante ferroviario (Porta Vittoria stop).

Supermarkets, neighborhood boutiques, sports centers, educational institutions and services of all kinds are located near the home.

This is definitely an ideal solution for a young couple or single person looking for an elegant, functional space with the exclusivity of a terrace.
