A first impression

Only 400 meters from the sea, we offer for sale Hotel Villa, an exclusive hotel complex consisting of three real estate bodies, (two bodies objects of sale and a third currently leased with the possibility of contract transfer).

The hotel consists of 39 rooms, all complete with bathroom and sitting room, as well as an apartment of 55 square meters.

The business is spread over a total area of 15,484 square meters.

The main building is developed on a plot of 3,615 sq m, of which 2,300 sq m is dedicated to a tropical garden with tall trees, swimming pool and related facilities. This building has three levels: basement, ground floor and second floor.

On the basement level is the restaurant, with an area of 740 square meters, accessible both from the upper floors and from a separate entrance on Viale La Testa No. 4. Of this 740 sq m, 200 sq m are for kitchens and storage rooms, while the remainder are used as halls.

On the ground floor, there is reception, management, administration, offices, TV room, a lobby and bar area, as well as an area designated for guest rooms. The whole has an area of 635 square meters.

On the second floor, on the other hand, we find additional rooms for hotel guests.

The secondary structure, includes a parking lot and an annex on the ground floor, as well as a basement storage room of 700 sq m with a ceiling height of 5.5 m consisting of a fitness room, a game room and a laundry room.

The annex consists of 11 rooms, all with private bathrooms, including suites, junior suites and standard rooms.

On the second floor we find 5 apartments totaling 520 square meters, but only one of them is subject to sale included in the listed price. This apartment is 55 sqm.

The other 4 units can be purchased separately upon request.

The two property structures are connected by a regular road with two-way car passage and opposite electric gates. For convenience and safety, an underground walkway has been created that allows guests to reach the main structure without crossing the road.

A regulation soccer field, used in the past by professional clubs, completes the property, making this facility ideal both as a hotel investment and for hosting well-known and well-known sports activities or events.

The soccer field area can be decommissioned, and by agreement with the authorities, an additional structure can be built in order to expand the number of existing rooms.

In 2024, the Ruggieri Hotel formalized a lease for a building used as a B&B, called Palazzo Vittoria. This excellently built structure is completely renovated and modernized, has 5 rooms, and is located in the center of Bisceglie. The rent is €1,500 monthly, VAT included.

The building with internal elevator, covers an area of about 300 square meters and consists of three levels (ground floor, second floor, and second floor) and a storage room for the business.

This opportunity is reported because it is possible to proceed with an assignment of the lease.

In this way, the new manager will be able to take over on the terms already defined, without having to initiate a new contract negotiation, and start operations immediately in a ready and fully operational facility.
