A first impression

In one of the Costa Smeralda's most exclusive locations, this exceptional building plot with an already approved project for an elegant luxury villa. The land rises gently above the bay of Cala di Volpe and offers unparalleled panoramic views of the emerald green sea, the offshore islands and the picturesque coastline.

The approved plan calls for the construction of a spacious villa in the typical Costa Smeralda style, with a natural stone, Mediterranean materials and harmonious integration into the surrounding landscape. The plans include spacious indoor and outdoor living and outdoor spaces, several bedrooms with private bathrooms, an infinity pool with sea views, and large terraces and garden areas.

The location combines absolute privacy with excellent accessibility: the renowned beaches of Liscia Ruja and La Celvia and the legendary Pevero Golf Club are just minutes away. Porto Cervo, the heart of the Costa Smeralda with its marina, boutiques, and gourmet restaurants, is also easily accessible.

A rare offering with great potential-ideal for those looking for their dream villa in one of the Mediterranean's most sought-after locations.
