Prestigious Historical Residence in the Heart of the Roman Quadrilateral - Via della Consolata 5, Turin

Von Poll Real Estate offers for sale a unique property located within the historic "Palazzo Ricci Des Ferres", an elegant building dating back to 1735 in the charming district of San Sigismondo, today the heart of the Quadrilatero Romano. A short walk from the Sanctuary of the Consolata, the historic Caffè al Bicerin and the shopping streets, the apartment enjoys an exclusive location, surrounded by restaurants, boutiques, museums and services.

Located on the second floor with an elevator, the apartment combines historic charm and modern comfort. Coffered ceilings, frescoed walls and original fireplaces bear witness to a prestigious past, while independent heating and energy class C ensure efficiency and livability. The layout includes 5 rooms: bright living room, eat-in kitchen, 2 bedrooms, 2 bathrooms, and a convenient balcony overlooking the historic street.

The property is completed by a 30 sqm cellar, perfect as storage or wine cellar. The property has undergone a careful conservative restoration that brought to light artistic details from the 18th century, preserving its authenticity and character.

A rare opportunity for those who want to live in the heart of Turin, in a context of absolute value, where history, culture and comfort come together in a residence with timeless charm.
