## **A first impression**

We offer for sale, for income, a waterfront commercial complex located on the Trani waterfront, in a high-traffic and high-visibility location.

The property includes licenses for bar, restaurant and fish market activities, as well as a regularly authorized wood-fired oven for pizza production and authorization for outdoor music.

The business is located in a seafront position, on area under state concession issued by the Region of Puglia, valid until 2031 and automatically renewed, an element that guarantees operational continuity and stability over time.

The complex, clearly visible from the waterfront promenade, consists of several building bodies. On the second floor there is a local seafront bar with a large outdoor area directly facing the waterfront, a strong point of attraction for tourist and local customers, intended for table service for cafeteria, ice cream parlour and administration.

On the ground floor, also facing the sea, there are additional premises, including one with a restaurant license (see floor plans), equipped with a covered area for outdoor table service.

The cuisine is mainly seafood-based, with typical dishes and local specialties, and is supported by regularly licensed wood-burning oven, which allows to expand the gastronomic offer and intercept a diverse clientele.

The complex also has a large parking area with direct access from the waterfront, a particularly strategic feature for the usability of the facility.

At the entrance, on the left, there is a retail outlet dedicated to the marketing of seafood products. The fish market activity is equipped with a plant with tanks dedicated to the purification, maintenance and sale of edible molluscs (lamellibranchs, tunicates, gastropods, echinoderms and lobsters), fed with seawater taken directly, thus guaranteeing the sale of fresh and live product.

Completing the property is a photovoltaic system, which contributes to the energy needs of the business and generates an additional source of income.

A lease is currently in place with a monthly rent of € 12,000.00 until 12/31/2026. Starting 01.01.2027, the rent will be upgraded to € 14,000.00 monthly until 31.12.2028. From 01.01.2029 and until the contract expires, the monthly fee will be € 17,000.00, configuring an investment with increasing profitability over time.

Considering the asking price of € 3,500,000, the property guarantees an initial yield of about 4.1 percent per year, with a gradual increase to about 5.8 percent per year when fully operational.
