A first impression

Charming three-room apartment in the heart of NoLo - Milan

In the heart of NoLo, one of the most lively and evolving neighborhoods of Milan, we offer for sale an elegant three-room apartment located in a small stately building of the 1940s, characterized by a refined travertine marble facade.

The apartment is located in a quiet and peaceful street, in front of Trotter Park, with all the main services at hand: schools, basic stores, clubs and restaurants. The MM1 Rovereto stop is only a minute's walk away, allowing you to reach Piazza Duomo in just 10 minutes.

The property, completely renovated to new with fine finishes and a modern and functional design, consists of:

- large entrance hall with closet area,
- living room with open kitchen, bright and well organized,
- windowed bathroom with walk-in shower and designer furnishings,
- two bedrooms, one of which has a balcony.

The renovation has made the most of the space, combining contemporary comfort and elegance. The apartment is sold with the bathroom already fully furnished, and - upon request - with the entire interior furnishings visible in the render, made to measure.

The property is completed by an appurtenant cellar and the possibility of customizing the specifications at this stage of work completion, scheduled for early November 2025.

A unique opportunity for those who want to live in a green, private and well-served context, without giving up the convenience of the subway under the house and the quality of a renovation with attention to detail.
