A first impression

Elegance and charm in the heart of Turin - with a view of Mount of the Capuchins

In one of the most prestigious areas of the city, a few steps from Piazza Gran Madre and the Lungo Po, we offer for sale a large and bright apartment of over 150 square meters, finely renovated in 2025 with materials of the highest quality.

Located on the third floor of an elegant period building equipped with an elevator to the floor, the property is distinguished by its triple exposure and the fascinating panoramic view of the Monte dei Cappuccini.

The rooms, cozy and refined, perfectly combine the charm of historic architecture and contemporary comfort.

The property has paid great attention to every detail: brushed oak parquet floors, Luserna stone window sills, barrel-vaulted ceilings, and handcrafted wood paneling that embellish the living area, while maintaining the original interior cathedral glass shutters.

The internal distribution includes an entrance hall with hallways, a large corner living room, an eat-in kitchen with dining area, two generously sized bedrooms (both also suitable as a study or hybrid space), two elegantly finished windowed bathrooms with shower, and a practical laundry room overlooking an interior balcony.

A spacious basement cellar and new and certified installations (thermal, plumbing and electrical) complete the property.

A charming home, ideal for those who want to experience the best of Turin, between style, comfort and unparalleled views.
