A first impression

In a beautiful prestigious residential area, surrounded by greenery, we have an elegant single-family villa with a large private garden surrounding it on four sides.

The property is arranged on two levels (ground floor and basement) and is composed as follows: entrance hall, large and bright living room with fireplace, eat-in kitchen with adjoining dining area, night hallway, four bedrooms and two bathrooms.

Outside there are two porches facing directly from the living room.

In the basement there is a large tavern, a laundry area, a storage room and triple garage with two separate overhead doors.

The property is located in the immediate vicinity of the castle of Carimate, which was born in 1149 with the first construction for defensive purposes, then rebuilt in 1345 as a vacation and hunting residence. It was later home to noble families and today is a historic Hotel.

Also within walking distance is the 18-hole Carimate Golf Club, built in the 1960s at the same time as the internationally renowned residential settlement.
