## A first impression

Located in one of the most sought-after and elegant areas of Florence, we offer for sale a large apartment of about 200 square meters, located on the second floor of an elegant building with elevator. The property represents the perfect combination of Florentine architectural representation and modern functionality.

The living area is characterized by spacious and distinct rooms. A double living room enjoys excellent natural light and there is a dining room separate from the sitting area. The eat-in kitchen is spacious and functional, with direct access to outdoor spaces. The sleeping area consists of 3 large and quiet bedrooms and 3 bathrooms with luxury finishes.

The property is distinguished by its extraordinary outdoor outlets: no less than three livable balconies that, together with the cellar and parking space owned by the property, represent an absolute rarity for a home in the heart of the city.
