A first impression

In one of Milan's most sought-after and prestigious neighborhoods, we are offering for sale the BARELY PROPERTY of an apartment located on the second floor of an elegant historic building with an elevator.

The property enjoys dual exposure, overlooking both the inner courtyard and a quiet residential street, ensuring a peaceful and private setting despite being in the heart of the city.

The location is one of the property's main strengths: just a short walk from Bocconi University, Ravizza Park, and Milan's historic center, the neighborhood offers all essential amenities, efficient transportation links, shops, restaurants, and green spaces. This area is particularly sought after by those seeking a high-quality urban lifestyle as well as by investors who recognize the area's value and enduring appeal.

The building is currently undergoing renovation work that will further enhance its prestige and value over time.

The apartment requires personalization and renovation, offering the opportunity to design the spaces according to one's own needs and taste.

The property includes a spacious 12-square-meter basement.

The sale is for bare ownership, with a 86-year-old usufructuary (who will be 87 in December 2026).

An ideal opportunity for investors and for those seeking to acquire a property in one of Milan's most sought-after areas, with excellent prospects for future appreciation.
