All about the location

Loiri Porto San Paolo is located in the north-east of Sardinia, just a few kilometers south of Olbia, and is one of the most attractive residential and vacation regions in Gallura. The municipality combines a peaceful, natural environment with a very good infrastructure and excellent connections.

The immediate proximity to the sea is particularly impressive. Along the coast of Porto San Paolo there are numerous beautiful beaches with crystal-clear water and fine sand, including famous bays such as Porto Taverna, Cala Finanza and Costa Corallina. From here, there is also a unique view of the offshore island of Tavolara, which is part of the protected marine park "Area Marina Protetta Tavolara - Punta Coda Cavallo".

Olbia Costa Smeralda International Airport and the ferry port of Olbia can be reached in around 15 minutes and provide excellent connections to the Italian mainland and many European cities. At the same time, the famous Costa Smeralda with its exclusive marinas, beaches and restaurants can be reached in around 30 to 40 minutes.

Loiri Porto San Paolo also offers a good selection of restaurants, cafés, shops and services for daily needs. The region is lively all year round, yet retains its authentic Sardinian character and relaxed atmosphere.

The combination of beautiful nature, proximity to Olbia and the Costa Smeralda as well as the high quality of life makes Loiri Porto San Paolo a particularly sought-after location - both as a vacation location and for permanent residence in Sardinia.
