## All about the location

The Pla de Mallorca, often referred to as "Es Pla", is a plain in the center of Mallorca. This region is characterized by its rolling hills, fertile fields and traditional rural atmosphere. Here you will find charming villages, historical sights and a variety of farms, with vast fields, olive groves, vineyards and almond orchards. Gentle hills rise up between the plains, occasionally covered by small forests and offering spectacular views. In this part of Mallorca you will find Sineu, known for its weekly market, which is one of the oldest and most authentic on the island, where you can buy local produce, handicrafts and fresh food, and Inca, the third largest town in Mallorca, known for its leather goods industry and large weekly market. In Pla, numerous wineries offer guided tours and tastings where you can get to know the variety of Mallorcan wines. The region offers numerous opportunities for hiking and cycling tours, and excursions to the S'Albufera Nature Park are particularly recommended. The island's capital Palma and the airport (PMI) are around 30 to 40 km away and can be reached by car in around 30 to 45 minutes, depending on the starting point.
