A first impression

For sale is this spectacular rural plot of 4 hectares in the heart of the Serra de Tramuntana. It is located in the municipality of Selva and borders the municipality of Campanet. There is the possibility of obtaining a licence for the construction of a finca of about 300 square metres with swimming pool. The land can be used for cultivation, for example for planting vineyards on this beautiful plot. It also has two water wells. On the property there are two wooded areas with pines, holm oaks and ullastres of about 10,000 square metres and two areas with dry cultivation and fig trees of 30,000 square metres. The access is through a separate road without traffic. The property is located in a very quiet and picturesque area with views to the mountain Se Penya des Migdia of 550 metres above sea level, from where you can enjoy fantastic sunsets and the only sounds are the bells of the sheep. A fantastic opportunity to own a home in the middle of the UNESCO World Heritage Site.
