Fantastic villa with ETV licence, 2 swimming pool, jacuzzi, gymnasium. in unbeatable location in Cala Deià. Located 250 meters, 4 minutes walking distance to the fabulous beach of Cala Deia. The luxurious house was built in Majorcan style with stone walls, to respect the environment of the area. The fantastic exteriors, surrounded by garden, have a swimming pool of 33 meters and 240 meters between terraces, porches and balconies with spectacular sea views. The property is distributed over three floors, with a lift and a beautiful marble staircase. On the main floor there is the kitchen, a study, a bedroom with bathroom en suite, living room with access to the covered terrace equipped with barbecue and the pool. The upper floor with three bedrooms all with dressing room, bathroom en suite and direct access to the fantastic terrace with spectacular views to the Cala. In the basement there is a fantastic area equipped with a fantastic heated swimming pool, a relaxing jacuzzi, gym, laundry room and garage with space for two cars. With high quality materials, wooden beamed ceilings and vaulted ceilings, terracotta floors, wooden windows with double glazing. Public parking at 400 metres. A Villa with everything you need during your stay on the island, with all the comforts. And with its ETV licence currently difficult to obtain, to be able to obtain additional income, great for its maintenance that does not involve any additional cost.
