A first impression

On offer is a 19th century mansion which is characterised by the fact that many of the old and original elements have been preserved. Through appropriate modernisation, a jewel can shine in new splendour. The decor, the tiles, the glass and carpentry work, the high ceilings, as well as the beams and arches add to the charm of this property. The size, the number of rooms and the location in the historic centre of Sineu offer a variety of possibilities for future use. In addition to the 8 rooms, there are two courtyards, a large terrace, former stables and a wine cellar. Furthermore, there are several garages and covered areas outside. This property is an interesting investment opportunity due to its price.
