A first impression

Spectacular finca of approx. 21.000 m2 and with a house under construction, with completion planned for the mid of 2023. The property is characterised by high quality construction and well thought out architecture. It is planned to have a total of 4 bedrooms and 3 bathrooms, 2 of them en suite. 3 of the bedrooms are located on the ground floor, all with access to the garden. The living/dining room, together with the adjoining kitchen, is characterised by its high ceiling on two levels, which allows plenty of natural light to flood in. From here you also have access to the covered terrace with the swimming pool in front and the view of the surrounding landscape. On the upper floor is the master bedroom with en suite bathroom, dressing area and access to the terrace, where there is the possibility to install a Jacuzzi. The equipment includes, among other things, underfloor heating, air conditioning, a solar energy system, the kitchen and partial furnishing.
