A first impression

An interesting option for a hotel project in Mallorca. This project in Santa Maria del Camí offers the opportunity to acquire a boutique hotel in a beautiful and original location just a short distance from Palma. The development on a plot of 1.550m² and a constructed area of 2.570m² consists of two independent buildings with 22 double rooms and 2 single rooms, two swimming pools and various communal areas such as reception, restaurant, cafeteria, spa and underground parking. One of the buildings already exists and would be renovated, maintaining its original design, the other, as well as the outdoor facilities, would be newly build. So far there is no such hotel in the village and this is a great opportunity to make it real and create a good offer. Please contact us at any time for more details.
