A first impression

Great project to build a large villa with swimming pool in one of the most sought-after areas of Mallorca in Son Vida. The excellent location offers tranquility, privacy and a high standard of living for its residents. Son Vida, with its famous golf course and spectacular views, is a jewel of an urbanization within walking distance of the center of Palma. The project provides for a villa of approx. 664 m² of living space, plus terraces of approx. 379 m² and a 78 m² pool, and it is distributed over two floors plus a basement. The first floor houses a large living/dining room with modern open kitchen, a large bedroom with en-suite bathroom and private dressing room and access to the terrace with a magnificent infinity pool. On the second floor, where you enter the house, there are four double bedrooms, two of which have their own dressing room and terrace, four en-suite bathrooms and an outside garage for several vehicles. In the basement there is a double bedroom with en-suite bathroom and dressing room, a SPA room, a sauna, a fitness room, possibly a billiard and entertainment room, a guest toilet, an engine room and a storage room. All floors offer a magnificent view of the sea. Outside, around the house, there is a beautiful green garden with a variety of plants. The price includes the preliminary project designed by a well-known architect and the building plot, although further building and planning work is not included in the price. The connection to the sewage system is already in place and the building permit can therefore be applied for at the building authority. A true jewel of the Mediterranean! Don't miss this great opportunity!
