A first impression

This 19th century mansion is characterised by the fact that many old elements have been preserved. Through appropriate modernisation, this jewel can shine in new splendour. The original elements, such as the popular cement tiles with the colourful patterns, the high ceilings as well as the typical wooden beams and the marés arches, contribute to the charm of this property. In addition to the many rooms, 9 of which are bedrooms, there is a patio, a storage room and an old wine cellar that has been converted into storage. Outside, there is a large terrace with unobstructed views of the mountains and a garden, as well as several garages and covered areas. It is also possible to divide the property to create a smaller unit. This is an interesting investment opportunity as the size, number of rooms and location just five minutes from the village centre offer a variety of possibilities for future use. In addition to the main house, the price includes a flat of approx. 130 m2 with a separate entrance, which can be used by guests, for example.
