A first impression

This picturesque estate is part of the Pla de Na Tesa in the municipality of Marratxí. Thanks to its exceptional location and the potential to transform into apartments, it is an excellent opportunity to acquire a very exclusive residential project, just a few minutes from Palma's centre. The existing century-old building has a built-up area of approximately 1,700 m², distributed over three floors. The main part perfectly reflects the traditional Mallorcan architecture with southern exposure, large patio at the entrance, balconies, exposed wooden beams, high ceilings and countless rooms. The property includes approximately 60,000 m² of farmland, stables, barns and an old mill. The property is connected to the electricity grid and has its own water supply.
