A first impression

Beautiful finca in Santa Eugenia with ETV vacation rental license. In the beautiful surroundings of Santa Eugenia and only 20 minutes from Palma, we find this spectacular Mediterranean-style country house surrounded by a beautiful garden with about 600 olive and almond trees. In addition, the finca has an ETV license and has many loyal regular guests over the years. The house has two floors, on the lower floor there is one of the five bedrooms, a large kitchen with plenty of space, as well as the living room with access to the terrace and the pool. On the upper floor there are four further spacious bedrooms. The carefully designed interior retains typical Mallorcan features such as stone walls, exposed beams and terracotta floors. Outside there is a well-equipped barbecue house, which can be closed off with glass doors depending on the season. Features include a private well, connection to the electricity supply, two fireplaces, hot/cold air conditioning and preparation for central heating.
