A first impression

This charming townhouse is located in one of the most popular and trendy areas of Palma, in the heart of Santa Catalina, in a quiet street. The neighborhood offers numerous restaurants, cafés and bars as well as fashion and interior design stores. Nearby is the Mercat de Santa Catalina, Palma's oldest food market with many stalls selling fresh gourmet products.

Thanks to its central location, the city center of Palma is within easy walking distance. The extensive renovation will maintain the charm of yesteryear but create a completely new, luxurious townhouse.

On the first floor there are two spacious bedrooms. The rear bedroom is designed as a master suite and has its own terrace, a large bathroom with bath and luxury shower and its own dressing room. The front bedroom is somewhat more modest and only has a small bathroom. If you follow the stairs to the second floor, you enter a large, open-plan living and dining room. With all the comforts that a modern townhouse in Santa Catalina should have.

The kitchen is made of beautiful solid oak. It will be equipped with the latest and best appliances from GAGGENAU and will have a balcony at the front and a private roof terrace from which you can enjoy fantastic views of the sea and the church of Santa Catalina.

Completion is scheduled for December 2024.
