## A first impression

Elegant flat in a palacio in the centre of the old town. The palacio was completely refurbished to a high standard in 2018. This light-flooded 1st room flat with amenities such as KNX system, cellar/laundry room for more space and comfort is for sale with optional parking space in the building. A separate public storage room for bicycles and mopeds rounds off this offer perfectly. A central flat, high-quality construction for summer and winter with pleasant underfloor heating and climate in one of the most beautiful cities in Europe, with short walking distances to all sights, cafés, restaurants and shops.
