A first impression

Great opportunity! Magnificent newly built, semi-detached house with pool in the residential area of Marratxí, Portol. Its convenient location allows quick and easy access to all necessary services. The city of Palma and the international airport are only 15 minutes away by car. The project foresees a house of about 136m² distributed over two comfortable floors. On the ground floor is the living room with kitchen-dining room sharing a large open space with exit to the patio with pool and solarium area and a guest toilet. The storeroom and machine rooms are on the same level. On the upper floor there are two bedrooms, a complete bathroom and a large master bedroom with en-suite bathroom and dressing room. From here you can enjoy views to the pool and the village. Furthermore the house has air conditioning hot/cold, high ceilings, wooden beams and lots of natural light thanks to the large windows. This wonderful property lacks nothing to offer its owners a comfortable and relaxing lifestyle. For more information please contact us.
