## A first impression

This plot, which is located in a very quiet area near Costitx, in the municipality of Inca, offers a fantastic opportunity to realize the dream of a finca.

It is a rectangular plot in a corner location, situated on general rustic ground and covers an area of just over 50,000 m<sup>2</sup>. There is the possibility of building a house and a pool. Currently we find on the property a small tool shed with a porch of about 100 m<sup>2</sup>. There are some almond trees growing on the plot and it is fully fenced with a wire fence. Part of the plot is on a slope, very quiet, and a house could be built there thanks to the large plot size.

Do not hesitate to contact us to organize a visit. The location and the surroundings with unobstructed views of the Serra de Tramuntana will delight you.
