A first impression

This impressive plot with an area of approx. 2,004 m² is located in the idyllic residential area of Son Gual. It already has an approved license for an exclusive building project that envisages a luxurious villa.

The planned house extends over several floors and impresses with its modern, open architecture. On the first floor, you will find a spacious living and dining area that flows seamlessly into a stylish, open-plan kitchen. There is also a spacious bedroom with its own en suite bathroom on this level.

The villa is complemented by two further, almost identical living levels. Each of these levels offers a separate living area with guest WC and direct access to covered terraces. There are also two comfortable bedrooms with en suite bathrooms and walk-in closets.

A particular highlight is the fully accessible roof terrace with integrated solarium, which offers breathtaking panoramic views. The outdoor area of the villa is equally impressive: the first floor provides access to the spacious garden, which features a covered terrace, an open sun terrace and a veranda with a barbecue area and separate toilet. The spectacular swimming pool invites you to relax and refresh yourself. The property itself offers a green oasis with a well-tended lawn and shady trees.

The house also has a basement with numerous amenities. Here you will find a spacious garage with space for two vehicles, a modern elevator, several practical storage rooms and luxurious leisure areas such as a private home cinema and an exclusive fitness room.

The property is already connected to the water and electricity supply and boasts spectacular views. The purchase price includes both the plot and the granted building permit - however, the completion of the property is not included.
