All about the location

Ariany is located in the center of Mallorca, on the road from Petra to Santa Margalida, in the northeast of the Plà plain on the Puig de Sa Cobetera, one of the highest hills in the region. The approximately 850 inhabitants appreciate its quiet location, seclusion and the natural living experience. Spacious rural houses, rustic manor houses and Mediterranean fincas dominate the townscape, away from the crowds and hustle and bustle. According to archaeological findings, this area was already inhabited in prehistoric times (Talayotic culture). Under the conqueror of Mallorca, Jaume I, Ariany was given its current name for the first time. The municipality only became independent from Petra in 1982. One of the main attractions is the simple but elegant church of Nuestra Señora d'Atocha from the 19th century. Another highlight is the historic cross of Ariany, which gives an insight into the history of the region and the annual festival in honor of San Juan, where people dance and celebrate in colorful traditional costumes. Ariany is a paradise for nature lovers and hikers, who can explore the surrounding countryside on the numerous hiking trails. The distance to Palma is around 50 km and the airport is 5 km further. Overall, Ariany offers an ideal blend of tranquillity, tradition and authentic Mallorcan life, making it an attractive location for property buyers who want to escape the hustle and bustle of the city and enjoy the beauty of nature.
